

The „other” GLORIA!

Discover extinguishers with new benefits!

For you, GLORIA partners - or extinguishers lovers - we have expanded our product range. Discover everyday objects in non-ordinary design, which can be ideal as gifts for Christmas! Each of the design objects is unique and **handmade**.

Now we will take the „other” fire extinguisher within the program. From now until Christmas, you can obtain promotional prices and secure your favorite piece!

Browse the following pages of the brochure **sales campaign**. With the order form on the last page you can order easily.

We hope you enjoy the use or give away!

Beverage Dispenser (6 kg or 9 kg type)

So it can be ideally trigger!

The mini-bar in 6 kg or 9 kg fire extinguisher including four schnapps or three highball glasses and shelves for glasses.

The door protects against curious eyes and can be quickly opened with the small knob.

* Delivery is excluding drinks bottle.

Mini-bar with plexi shelves

Convert a fire extinguisher into a shelf for small items or as a perfect complement to the beverage dispenser!

Including the shelves in Plexiglas.

* - Delivery without decoration.

Trashcan

A must for your office!

Accessorise your office with an unusual object.

This trashcan is absolutely extraordinary!

Stand Ashtray

If the fag burns, this fire extinguisher ashtray is best prepared already!

* - The delivery is without lighter and cigarette.

Clock

A designer gadget for the wall of your office or other other premises.

* - The delivery is without batteries.

Spray Pipe on board

For all lovers of deletion!

The real injection tube was in use which attest traces.

The tube is attached to a decorative board that will fit in perfectly in any wall decoration installation.

Umbrella Stand

The cold and wet season is coming!

The umbrella stand will help your office or hall remain dry.

* - Delivery without umbrellas.

Coffee Dispenser

The eye-catcher for business meetings and celebrations!

* - The delivery is without cups.

Beer Dispenser

A star of every party!

The beer dispenser extinguisher for four beer glasses and elevated shelf for the keg for slight beer-tap.

The door protects against curious eyes and can be quickly opened with the small knob.

When closed barrel and glasses can be transported easily and safely.

Suitable for all conventional, commercially available, 5 liter party kegs!

* - The delivery is without beer keg and glasses.

Dear Customer

Once you browsed through the „Sales campaign“, you can quickly fill out the order form on this page and you will soon hold your own design object in your hands.

Use this unique pre-Christmas offer and get already great gifts, leave the impression! !

* - The delivery time is approximately 10 working days.

Best wishes

Your GLORIA Team
